

January 21, 2014 Snow Storm

A significant snow storm is forecast for our area from Tuesday morning into early Wednesday morning; drifting and extremely low temperatures are expected. Residents are urged to check on neighbors who may be affected by the storm. Any power outages should be reported directly to Jersey Central Power & Light at 1-888-544-4877. Residents are reminded that parking is prohibited on Borough streets during snowfall until roads have been plowed. Unoccupied vehicles left in roadway are subject to summons and removal. When clearing driveways and sidewalks, throwing snow back into the roadway is prohibited. For updated information, please visit the Borough website at www.matawanborough.com.
