

This is a message from the Matawan Office of Emergency Management:

A winter storm warning is in effect for our area until 1 pm tomorrow. Snow accumulations of 4 to 8 plus inches are possible with wind gusts of 20-35 mph. Travel overnight will be very hazardous or impossible as a result. Temperatures will be falling into the teens by Friday morning with wind chills near 5 degrees below zero.

Please be reminded that current Local Ordinance prohibits the parking of vehicles on any street within the Borough whenever snow covered. This prohibition remains in effect until the snow has stopped and the streets have been plowed sufficiently. Current Ordinance also mandates the clearing of sidewalks within twelve hours of daylight after the snow has fallen.

Updated forecasts and community information can be found via the Borough's website (www.matawanborough.com) and on the facebook pages of the Matawan Police Department and the Borough of Matawan-Office of Emergency Management. In the event of a power outage, residents are asked to notify Jersey Central Power & Light at 1-888-LIGHTS-S (1-888-544-4877).

Thank you and have a good evening.
