A winter storm warning is in effect for our area from midnight tonight until 4 pm tomorrow. Snow accumulations of 8 to 12 inches are possible. Significant impacts to travel, especially for the morning commute will occur.

Please be reminded that local ordinance prohibits the parking of vehicles on any street within the Borough whenever snow covered and also mandates the clearing of sidewalks within twelve hours of daylight after the snow has fallen. Due to this forecasted storm, the scheduled recycling pick-up for tomorrow has been cancelled. Trash will be picked up as scheduled on Friday.

Updated forecasts and community information can be found via the Borough's website ([www.matawanborough.com](http://www.matawanborough.com)) and on the facebook pages of the Matawan Police Department and the Borough of Matawan-Office of Emergency Management.

In the event of a power outage, residents are asked to notify Jersey Central Power and Light at 1-888-LIGHTS-S (1-888-544-4877).
