

## **Borough of Matawan**

### **Public Notice of Adoption of Ordinance 22-11**

The ordinance published herewith has been finally adopted by the Governing Body of the Borough of Matawan, in the County of Monmouth, State of New Jersey, by the recorded affirmative votes of at least two-thirds (2/3rds) of the full membership of the Governing Body at a meeting of the Governing Body held on July 19, 2022 at the Borough of Matawan, Municipal Community Center, 201 Broad Street, Matawan, New Jersey 07747. The twenty (20) day period of limitation within which a suit, action or proceeding questioning the validity of such ordinance can be commenced has begun to run from the date of the first publication of the statement.

Copies of the full ordinance are available at no cost and during regular business hours at the Clerk's Office for the members of the general public who shall request the same or on the Borough of Matawan website at [www.matawanborough.com](http://www.matawanborough.com).

**Title:** Ordinance 22-11: Ordinance for Adoption of the Floodplain Management Regulations of the Borough of Matawan – An Ordinance by the Council Amending the Borough of Matawan Code of Ordinances to Repeal Chapter 19, Sections 19-1.1 Through 19-5.2; to Adopt a New Chapter 19, Sections 1 Through 4; to Adopt Flood Hazard Maps; to Designate a Floodplain Administrator; and Providing for Severability and an Effective Date

**Purpose:** The Federal Emergency Management Agency (FEMA) directed that new model ordinances be developed which incorporate the higher State standards found in the Flood Hazard Area Control Act and the Uniform Construction Code. This recommendation is in addition to a post-Superstorm Sandy recommendation that the New Jersey State Department of Environmental Protection's model ordinance transition to a FEMA-approved version that coordinates with State building codes enforced by local Construction Officials. Monmouth County has been selected for a mandatory county-wide adoption. This ordinance intends to adopt the revised model flood damage prevention ordinance and the new flood regulations.
